Fall Arts & Crafts Fair Wrap up

The **Fall Arts and Craft Fair** was held on September 9, 2017. The 38th annual event is a one-stop shopping extravaganza for Danville and the surrounding area. From handmade jewelry to up-cycled wooden furniture, crafts and toys, to children's face-painting and fashion accessories...it's all together in one location.

Over 125 local vendors exhibited their fine arts and photography, handmade crafts, soaps and beauty items, and more! In addition to the arts and crafts, the Fair offers a wide selection of mouth-watering food and refreshments. **It is also a great opportunity to explore the diverse downtown businesses on Mill Street!**

The Fall Arts & Craft Fair was another DBA success, and we would like to **thank our volunteers and the Promotions Committee** for their hard work and guidance.

We also extend a **thank you** to our sponsor, **Merck Cherokee**, for their generous contribution to this event.

J&J Financial Community Donation

In celebrating its 15th anniversary, **J&J Financial** contributed a legacy to help the community for generations to come.

The business presented a significant donation to the Danville Business Alliance's *From Your Imagination to Danville's Reality* Campaign.

Mr. Jim Kishbaugh presented the contribution Thursday to Mr. Jim Wilson, DBA Executive Director, and Mr. Robert Dressler, DBA Board President .

J&J Financial was the first major private donor for the campaign. The campaign will benefit Canal Park improvements and a community arts center.

Wilson said the goal of the campaign is \$6 million for two downtown projects — a community arts center and repurposing of Canal Park and an adjacent vacant lot between **Beiter's Department Store** and the Danville Municipal Building into a multi-use park and amphitheater.

Thank you, J&J Financial, for your generous donation to the *From Your Imagination to Danville's Reality* Campaign!
